Assistant Commissioner for Patents
BOX MISSING PARTS
Washington, DC 20231

Sir:

Applicants submit herewith a Substitute Sequence Listing in response to the Notice to File Missing Parts of Nonprovisional Application dated April 1, 2002 ("Notice") in connection with the above-identified patent application. A copy of the Notice is enclosed.

The original Notice presumably was mailed to the offices of the previous attorney of record, though their offices had no record of receiving the Notice. As a result, the present attorneys of record, Baker Botts LLP, did not receive the Notice. Nevertheless, believing that a Notice may have issued, Applicants filed a Response to the Notice on April 9, 2002 (copy enclosed), which included a Declaration and Power of Attorney, and also authorized the Commissioner to charge payment of any additional fees in connection with this application. Accordingly, Applicants ask that the Patent Office deliver all correspondence in connection with this application to Baker Botts LLP, which was designated in the Power of Attorney as the attorneys of record.

DISK TO STIC

DATE:

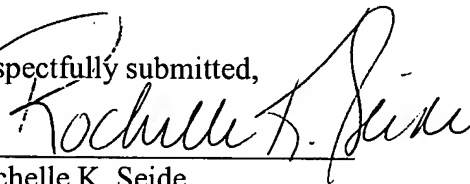

Applicants made a telephone call on August 28, 2002 to the Office of Initial Patent Examination ("OIPE") requesting status on the Petition to Make Special filed on April 9, 2002. Applicants were informed by Mr. James Johnson at OIPE that a Substitute Sequence Listing was required as set forth in the Notice. A copy of the Notice was faxed to Applicants, which referred to an attached marked-up Raw Sequence Listing indicating the nature of noncompliance of the originally submitted sequence listing. In a telephone conversation with Mr. Johnson on September 4, 2002, he indicated that a copy of the marked-up Raw Sequence Listing would be provided to Applicants.

Despite follow-up telephone calls to Mr. Johnson and other Patent Office personnel on September 9, 10, 11, 12, 14, 16, 20, 24 and 26, Applicants were unable to obtain a copy of the marked-up Raw Sequence Listing. Finally, after enlisting the services of a third party agent, the Patent Office recently permitted the agent to photocopy the Notice and marked-up Raw Sequence Listing. The Substitute Sequence Listing submitted herewith was prepared in accordance with the corrections indicated on the marked-up Raw Sequence Listing.

Applicants do not believe that any additional fee is required in connection with this Supplemental Response to the Notice. Should any additional fee be required, the Commissioner is hereby authorized to charge any such fee to Deposit Account 02-4377. Duplicate copies of this sheet are enclosed.

Applicants submit that this response is timely, and respectfully request a prompt decision on the Petition to Make Special filed with the Patent Office on April 9, 2002.

Respectfully submitted,

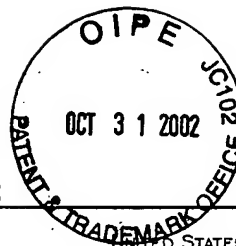

Rochelle K. Seide
